

2022 STATE OF THE AMAZON

Understanding deforestation, fires, and climate change

Join Amazon Conservation and the Norwegian Agency for Development Cooperation (Norad) for a free webinar on the patterns and trends of deforestation, fires, and climate change across five key Amazonian nations and a panel discussion with conservation experts on the policy implications of these findings.

AGENDA

 Wednesday, September 7, 2022	 Time: 11:00 – 12:30 p.m. EST	 https://bit.ly/2022-Amazon
--	--	---

TIME	TOPIC	PRESENTERS
